

## **I'm Hungarian!**

I am Hungarian, I was born Hungarian!  
The soul of our father Árpád beats in my heart!

One hundred years have passed since our Hungarian homeland was torn apart,  
Please God, help us to awaken our True Hungarian breed!

You have testified that a Hungarian wins against up to five!  
The time has come! You will win if you have to against even ten!

The old saying goes: Blood does not become water,  
This is how every Hungarian becomes a True Knight!

After 45 years of Russian usurpation, we are now in bondage to a lie that will last for 30 years.  
Because our country is the faithful governor, the True Governor  
without it there is still only one wasting ship left!

More than 100 million Hungarians live all over the world, and more than 2 Billion The Hun -  
Hungarian kinship! So win the Hun - Hungarian Truth!

Faithfully paying tribute to the memory of Nimród, Atilla, Árpád, János Hunyadi and Mátyás,  
the 13 Martyrs of Arad and Miklós Horthy, we stand for Hungary, we swear!

And until the end of time, we will remain here in our Motherland, flourishing in the Hun -  
Hungarian Empire!

On the 31st day of December, the year of the Lord 2020, in the name of rebirth, love and  
survival, with the blessing of the God of the Hungarians, in the name of myself and my  
Compatriots,

**Until the end, I will remain a faithful servant of our People,**

**Szigeti Sándor Alispán,  
A.J.S. Szigeti Deputy Sheriff, Brigadier  
General,  
Three are the leaders of the Hungarian Truth  
Movement**
